

## Back to growth Q1 2010 Sales: + 8.9%

As expected, Group Crit returned to growth in Q1 2010, with sales amounted to €273.8 million<sup>(1)</sup> an increase of 8.9%.

**Temp. business: +6.8%**

**An increase of more than 16% in March**

In Temp. business, Q1 sales amounted to €221.1 million, up to 6.8%. The activity in March recovered strongly with an increase in sales of more than 16%. France and international contributed to this good first quarter:

- In France, sales amounted to €202.7 million, an increase of 7.3% compared to Q1 2009;
- Abroad, the evolution is also favourable with an increase in sales of 2.4% at €18.3 million. The recovery of the activity in Spain (64% of international sales) mainly explained this positive development with an increase in spanish sales of 8.2%.

**Airport : +28.8%**

This noticeable increase is also confirmed in Multiservices business : Q1 2010 sales amounted to €52,7 M€, up to 18.5%.

Airport activities contributed strongly to this positive evolution with Q1 sales amounted to €40.4 million, an increase of 28.8%. As expected, this strong performance stems from the new contracts already gained with the extension of the scope of intervention of Group Crit on Roissy and Orly.

Given this successful beginning of year, confirmed by the trend of activity observed in April, Group Crit reaffirms its confidence in its capacity to achieve a year of growth in activity and to improve the profitability.
